Dear Graham,

Re:National Competition Beer

Following our donation of a range of beer kits for this years River Valley/Hauraki Competition we have discussed providing a standard kit to be used in the Nationals.

This would mean each brewer starts with the same quality kit and enhances the beer by addition of adjuncts, other malts and hops. The resulting entries would provide the judging panel with variations on a standard beer so the skill of the brewer is really tested.

We would propose that the kit used in 2016 would be Morgans Golden Saaz Pilsener. If this promotion is accepted we would offer other types (Ale, Stout etc) in subsequent years.

The Morgans Kits would be supplied to each club at wholesale prices (\$14.50/can). Our company would also provide a trophy (The New Zealand Brewmaster Award) together with an appropriate prize.

Please let me know if the Nationals Organising Committee would be interested in this proposal.

Yours faithfully,

PW Peter Wheeler
